Miniature Landscapes Fused Glass Workshop

Learn to Paint with Glass!

Create your own stunning fused glass landscape using contemporary glass enamelling techniques, fusing glass powders, frits and on glazes to produce a truly unique and impressive work of art.

This is a creative workshop where you will complete a stunning miniature landscape (12 x 20 cm), mounted, framed and ready to hang on your wall.

The workshop is ideal for beginners through to advanced glass workers and artists currently working in other mediums wishing to explore the exciting possibilities of "painting with glass".

Over two 4 hour sessions we will explore the use of glass powders, frit, and glass mosaic techniques to create painterly effects in glass as well as the use of texture and layering for 3-D effect along side other more traditional painting techniques.

Drawing ability is not required but students are asked to bring along some images and ideas for their landscape.

Works be fired between sessions and after the second day. Finished work will be available for pick up from the studio the following week.

Workshop Fee \$220.00 per person

Includes tuition, use of studio & equipment, kiln firings and all glass and materials used in the workshop.

Skill Level - Beginner to Advanced

This 8 hour hands-on workshop is run in two 4 hour sessions over two weeks.

Class sizes are limited creating an intimate learning environment where students have the opportunity to work one on one with resident artists. Workshops will run with a minimum of 4 maximum of 6 people
